KENMORE EIGHTY-5

To JoAnn (Jo-Jo)
Well woman we made it finally. It took us long enough to make (12 long yrs.) but we're almost there. Remember all the fun times in Orchestra + Band + Physics + Chemistry (Blaa) Economics + American government. All the times we flicked (rudy dogs) class and didn't get caught. The cardinal room times we didn't go back to class. Remember all the losing football games we went to. Orchestra and all the "generic" people coming from Innes. Remember the 2 yrs (11 + 12th) when we had 7 classes together through the day. Remember when we did our homework (The period before it was due. Chemistry + Economics) well we've spent a lot of time together. K.I.T. may God Bless everything you do.

The 1984-85 Homecoming was an event enjoyed by all. On Friday Oct 19 the Student Council transformed the gym into a romantic walk through rose-covered gazebos at sunset. The theme song of the dance was "Still In My Heart" by Beau Coup, and the band that performed at the dance was Pieces Of Eight. The color theme was red, orange, yellow and gold. Saturday started with the traditional homecoming parade where the court was presented to the community. At half time the court was then presented again, and queen, crowner and honor attendant were crowned. The dance was very exciting and fun for all. Student Council did a fine job on this year's Homecoming. It also added to have the support of the Kenmore Community.

GIRLS VARSITY BASKETBALL

Natalie Knight, Tonya Hodson, Amy DeCastro, Audrey Boyett, Shelly Chitty, Denise Fox, Michele Berentz, Robin Stott, Gretchen Deal, Julie Blair, Coach Mike Papp.

Our Girls' basketball team has really worked hard to get things together this year. They lost four key players to injuries or moving out of town. From the beginning of practices to midseason the girls experienced little success. Getting one player back at Christmas time from an ankle injury sparked our team and they won 6 of their last 9 regular season games. The string of wins also landed the girls in the City Series Playoffs for the 14th time in 15 years.

Coach Papp takes great pride in the fact that Kenmore's girls are "coming on strong" after a disasterous beginning. "They could have thrown in the towel after an embarrassing loss to North, but they knew that they had not played up to their potential." They then became a source of great pride for the school and the community.

Led by seniors Michele Berentz, Julie Blair and Robin Stott the varsity starters relied heavily on each others' strengths and helped camoflogue each other's weaknesses. Junior starter Denise Fox and sophomore forward Audrey Boyett complimented their senior teammates to form a balanced starting unit. When healthy, senior Natalie Knight would rest a fatigued starter or replace a starter in foul trouble without making the big mistake.

All of our varisty girls knew their roles and worked hard to meet the high expectations that Coach Papp had for each one of them. These high expectations and the Kenmore Pride resulted in the best record in the last three years.

. . . . Coach Papp

As this book closes, so does the last chapter of the Class of 1985; yet it is only the opening page for the freshmen who will now venture into the unknown world that seniors now have only a memory of. This world is the four years that we all spend at our second home - - - Kenmore High School, four years that match none other in our lives. This is the place hopes, dreams and memories are made.

Now the seniors, who are walking out the doors they just walked in four short years ago, pass on to all underclassmen these hopes and dreams that keep Kenmore so alive and strong.

In closing this book, farewell to the unforgettable class of 1985 and good luck to all classes that follow in our footsteps.
